## ABOUT ME

---

I'm Muhammad Abdul Hakim Munabari, a Student of the Informatics Technology at Esa Unggul University with a current GPA of 3.80. I have worked on creating complex ideas into intuitive interfaces that guide users seamlessly toward my client goals using Figma, FigJam, Framer, Webflow, and other design tools. I'm passionate about crafting visually captivating and user-friendly experiences.

## EXPERIENCE

---

### Freelance

UI/UX Designer

Mar 2022 - Present

- Conduct competitive/market analysis to identify audience segments and develop user journeys that reflect the needs and pain points of those segments.
- Deliver compelling insights, stories and artefacts to help drive evidence-based product and design decisions.
- Contributes actionable suggestions based on user needs and usability best practices.
- Deliver user-focused designs that highlight product and brand characteristics.

## SKILL

---

**Technical:** Figma & FigJam, Framer, Webflow, Adobe Photoshop, Notion, Google Workspace.
