SUMMARY

A recent graduate with a degree in Informatics from Singaperbangsa University Karawang, I am passionate about UI/UX Design and Graphic Design. With a strong foundation in technology and design principles, I am driven to create user-centered, aesthetically pleasing digital experiences. I possess a keen eye for detail, a solid understanding of design software, and an eagerness to contribute to creative projects that blend functionality with visual appeal. I am eager to bring fresh ideas and a modern approach to design in dynamic and innovative environments.
