### SUMMARY

---

Bachelor Degree of Informatics Engineering from UIN Sunan Gunung Djati Bandung with a strong interest in UI/UX Design and administrative roles. I'm committed to developing my skills in interaction design, data entry, and management tasks. To enhance my expertise, I upgraded my skills by participating in online course. I have good collaboration and time management skills, enabling effectivity of teamwork to ensure project success. Driven by the commitment to optimizing IT resources, I'm ready to contribute to make a meaningful impact and support the company's vision and mission.

### EDUCATION

---

#### UIN Sunan Gunung Djati Bandung

2019 - 2023

Bachelor of Informatics Engineering – GPA 3.86/4.00

Thesis Title: "Sentiment Analysis of User Reviews on the Website of the Informatics Engineering Department Using Long Short-Term Memory (LSTM) Algorithm"

### EXPERIENCES

---

#### Badan Pusat Statistik

Jan 2023 - Mar 2023

*Data Entry - Contract*

- Successfully process 800+ documents per month within set timelines to achieve monthly target.
- Accurately input, validate, and update data from documents into a Regsosek Badan Pusat Statistik's system.
- Handled sensitive information, adhering to data protection regulations and company policies.
- Collaborated with the survey team and other teams to ensure that all collected and entered data has been 100% accurate.

#### PT. Agri Adipana Abadi

Nov 2022 - Mar 2023

*UI Designer - Freelance*

- Developed design standards, including color schemes, typography, and iconography, ensuring a consistent brand image.
- Designed high-fidelity prototypes and mockups that clearly represent the final product's design and functionality.
- Communicate with clients to ensure that the product developed meets business requirements.

#### UIN Sunan Gunung Djati Bandung

Feb 2022 - May 2022

*UI Designer - Internship*

- Designed responsive and adaptive interfaces that work seamlessly across a wide range of devices.
- Gather feedback from users, stakeholders, and team members to continuously improve and iterate on design.
- Participated in user testing sessions to observe how users interact with the design.
- Collaborated with developers to ensure that the application developed matches the design.

### CERTIFICATIONS

---

#### Digitalent Kominfo x Binar Academy

Mar 2024 – Apr 2024

*Fresh Graduate Academy*

#### PASAS Institute

Feb 2024

*Certified Internatioal Specialist in Data Visualization*

*Credential ID - CISDV14437*

#### PT. Quadra Luminari

Nov 2021 – Dec 2021

*ICT Microsoft Office*
