About Me

I am a fresh graduate from Universitas Brawijaya with a degree in Information Systems. Able to work effectively both in teams and individually. Experienced and skilled in Web & Android Application Design, Web & Android Application Development, and User Experience (UX) methods such as Design Thinking and User-Centered Design.

Experience

Freelancer – Malang, Indonesia

Project Based Freelance (July 2023 - January 2024)

- Followed design guidelines provided by the team to ensure visual and functional consistency.
- Engaged in discussions and team meetings to understand client needs and expectations.
- Identified and resolved bugs or issues found during the testing phases.

PT. Siprama Cakrawala – Jakarta, Indonesia

Frontend Web Developer Intern (July - September 2022)

- Collaborated with designers to create visually appealing and responsive user interfaces.
- Analyzed and refined interfaces based on user feedback and testing results.
- Optimized website performance by improving code structure and efficiency.

Fakultas Ilmu Komputer (FILKOM) Universitas Brawijaya – Malang, Indonesia

Mobile Application Development Laboratory Assistant (February – June 2022)

- Instructed more than 30 students across two different classes in practical lab sessions.
 - Developed and tested practical modules before being distributed to students.
 - Evaluated student assignments and reports to assess learning outcomes.
-

Organizational Experience

Badan Perwakilan Mahasiswa Sistem Informasi – Universitas Brawijaya, Malang

Vice Coordinator & Staff of Commission II: Communication and Information (February 2022 - January 2023)

- Supervised and evaluated six work programs across three departments.
- Collaborated with team members to design 20+ social media posts.

Badan Internal Olahraga dan Seni (BIOS) FILKOM – Universitas Brawijaya, Malang

Artistic Media Division Staff (January 2020 - December 2021)

- Efficiently managed daily tasks with division members.
 - Worked alongside team members to design 20+ posters for social media content.
-
