SUMMARY

A UI/UX Designer who prioritizes efficiency in design, cares about details, and values collaborative problem-solving. Internships and project activities have strengthened my communication and teamwork skills. In my internship experience, I often took on the role of team leader and coordinator, driving my colleagues toward shared goals. I enjoy brainstorming ideas, exploring designs, and approaching projects with an agile mindset. Experienced in using Figma tools with all its features. I aim to create user-friendly solutions that help users and businesses achieve their goals.
