## PROFILE

---

Hello, I am Abdul Rahman, a graduate of Vocational School 5 Samarinda with a specialization in Multimedia. Currently, I am pursuing a degree in Information Systems at Mulawarman University (UNMUL). With a strong foundation in graphic design, I have honed my skills as a freelancer on Upwork, where I've gained extensive experience in creating impactful and innovative designs.

I am passionate about learning new things, especially in visual graphics. Currently, I am expanding my skills in illustration and exploring Website and Mobile UI/UX design. Overall, I love to learn and strive to create designs that help people, particularly in the realm of visual graphics.
