Sleman, Daerah Istimewa Yogyakarta, 55292 | faridrieziq12@gmail.com | +62857-2113-1542

A final-year Informatics student passionate about UI/UX design, skilled in using Figma to create intuitive and user-friendly interfaces. With a strong foundation in design principles and academic projects in web development, I am eager to apply my skills and gain hands-on experience in a dynamic and collaborative environment while continuing to grow as a UI/UX designer.

EDUCATION

Universitas Teknologi Yogyakarta

Bachelor of Informatics

*Expected Graduation May 2025
(Final course: Undergraduate Thesis)*

- GPA: 3.78/4.0
- Relevant Coursework: Front-End Design, Web and Mobile Development, Web Engineering, Mobile and Web Services, Software Design Methodology, Responsive Mobile Technology

SMAN 1 Indramayu

Science Major (IPA)

Graduated: 2021

ACTIVITIES

Universitas Teknologi Yogyakarta

Community Service – Research and Technology Division (Divisi Ristek)

February 2024

- Contributed to a community service program in Dusun Jlapan, Padukuhan Pondokrejo, Sleman Regency, Yogyakarta, Indonesia.
- Responsible for creating presentation materials (PowerPoint) to effectively deliver information to the community.
- Designed the User Interface (UI) for the village profile website, ensuring it was visually appealing, easy to navigate, and catered to the needs of the local community.

UNIVERSITY PROJECTS

FOOD TRAIN – ANDROID BASED FOOD ORDERING SYSTEM

- Collaborated in a team of four to develop a food ordering application using Django and Android Studio.
- Led the design and implementation of the User Interface (UI), including home screen, food and drink menu, item details, cart, and checkout pages, ensuring an intuitive and user-friendly experience.

MYCLINIC – CLINIC MANAGEMENT SYSTEM

- Collaborated in a team to design and develop a clinic management system aimed at streamlining administrative tasks and enhancing patient services.
- Contributed by designing the User Interface (UI), focusing on usability and accessibility for both patients and clinic staff.

ADDITIONAL
