SUMMARY

A graduate of Computer Engineering from Cokroaminoto Palopo University with a keen interest and talent in UI design, UX design, and UX research. With one year of experience, I have enhanced my skills in user research, data analysis, wireframing, visual design, prototyping, and testing. By keeping up with the evolving trends in the industry and technology, I am committed to continuous learning and eager to contribute my skills to a dynamic team. My aim is to further develop my UI/UX skills and contribute to creating functional, comfortable, and user-friendly user experiences.

EXPERIENCE
