BRANDING

As a freelancer working on the branding project for a custom t-shirt shop, I am responsible for designing a strong visual identity, including the logo and promotional materials, as well as developing effective marketing strategies. My focus is on creating creative and consistent design elements that enhance brand visibility and attract customer attention. By collaborating with the client, I ensure that every aspect of the branding reflects the shop's quality and values, helping it stand out in a competitive market.

GRAPHIC DESIGNER

As a freelancer working on logo creation and improvement for a greenhouse SME, I design a logo that reflects the unique characteristics and values of the business. For new logos, I create visually appealing and relevant designs, while for existing logos, I refine elements to ensure the logo is professional and aligns with the brand identity, helping the greenhouse SME stand out in the market.
