SUMMARY

I am a Fresh Graduate from the Information Systems study program at Universitas Singaperbangsa Karawang. During college, I was interested in deepening my knowledge in UI/UX Design. I have experience in working on projects on campus, helping lecturers' projects, helping the community by creating a village website, and internship experience at the Ministry of Education, Culture, Research, and Technology as a UI/UX Designer. I also have certification in the field of UX Design given by Google Indonesia. I can work individually or in a team, collaborate with a team of developers, and I enjoy learning new things.
