JONATHAN MARIO DWI PRIYADI

+6281296110198 | jonathanmario701@gmail.com | linkedin.com/in/jonathan-mario/
Tangerang, Banten, Indonesia

I am a fresh graduate at Universitas Kristen Satya Wacana, Bachelor's Degree in Computer Science. I am a person with full responsibility and like challenging experiences. My interests includes UI/UX Design, and technology. I have experience in UI design and UX research from health apps to travel websites, where I focus on enhancing user experiences through creative and functional design solutions.
