halizaningtiyas17@gmail.com

I'm a university student majoring in Graphic Multimedia Engineering at IDN Polytechnic Bogor, with a strong passion for UI/UX Design. I have hands-on experience in wireframing, prototyping, and user research using tools like Figma and Whimsical. With a solid foundation in visual design and collaborative work, I'm eager to contribute to meaningful digital products that align with user needs and company goals.

Experience and Projects

UI/UX Trainer • PKBM Cahaya Sunnah

November 05, 2024

- Carried out offline.
- Teaching high school students.
- The material presented is the basis of Figma and the practicum of interface design and prototyping.
