EXPERIENCE

Full Stack Developer   **Generation Girl Bandung**
Code Her Path Development Program   November - December 2024

- Learned both front-end and back-end development.
- Gained hands-on experience with modern web technologies and frameworks.
- Developed a mini project, an e-commerce mini application.
- Practiced UI/UX design principles to enhance user experience.

UI/UX Designer & Multimedia   **PT Makerindo Prima Solusi**
Internship   August - September 2024

- Designed and developed intuitive and visually appealing user interfaces to ensure optimal user experiences.

- Collaborated with developers and stakeholders to enhance the functionality and aesthetics of digital products, ensuring design consistency with brand identity.
- Created and developed creative multimedia content, including graphics, animations, and videos, to support marketing campaigns and internal needs.
- Produced visual designs that adhered to company specifications and industry trends to enhance visual appeal and messaging.

Quality Assurance Team   **PT Makerindo Prima Solusi**
Internship   July - August 2024

- Conducted quality control on various products to ensure compliance with company standards and specifications.
- Designed and developed product prototypes, contributing to the overall improvement of product design and functionality.
- Managed the company's social media accounts, creating content and engaging with the audience to enhance brand presence and customer engagement.

UI/UX Designer   **ASE Laboratory**
Internship   July 2024 - August 2024

- Designing Business Processes. I developed user-centric business processes that were crucial in guiding the UI/UX design of the food recommendation application.
- Aligning Design with Goals. I set clear UI/UX design goals that aligned with the project's business objectives, ensuring a cohesive and intuitive user experience.
- Documenting RequirementsI compiled detailed UI/UX requirements, which provided a clear roadmap for the development team and ensured the design met user needs.
